Very Moderate.

Memphis, Tenn., Feb. 7.—The spectacle of a mob killing a negro who had attempted to assault a white girl, instead of hating him, was witnessed at Shady Grove, Miss., yesterday.

Last Sunday George McDonald attempted to assault the 13-year-old niece of Constable Adams, who is her guardian. Bloodhounds were put on his trail, and the chase kept up until he was captured. The mob took the prisoner to Shady Grove where he was identified. Then the people held a meeting to decide what disposition to make of him.

Insomuch as McDonald had failed to accomplish his purpose, the mob decided not to kill him to death, but instead to try to burn him to the guardian of the victimized girl. He was stripped of his clothes, set upon by a dozen and R. W. George's "Travis," the local colored "policeman," who inflicted the flogging, when two Kent City and Constable Adkins were arrested. McDonald was then released and given two hours to get on the next train and leave the State under the penalty of death.

### Unsatisfactory Verdict.

Walla Walla, Wash., Feb. 7.—The jury in the case of D. K. Benson, after being out all night, came into Court at 11 o'clock this morning with a verdict of guilty of murder in the second degree. Benson killed convict Ellis at the jute mill of the State Penitentiary last June and was charged with murder in the first degree. The verdict gives general dissatisfaction, as the people believe he was guilty of pre-meditated murder.
